## EDUCATION

Green Run High School Graduate (2022)

## SUMMARY

I am a freshman from Old Dominion University. I have come from an outstanding program that our school offered which was NROTC. I have learned a lot of skills that will be useful for the job I'm hoping to get. I am a fast-learner, good leader, adaptable, and smart. I am a very patient guy and can handle any situation thrown at me. I take pride in my work and will always do the proper things. I will be there when help is needed and willing to go above and beyond the call of duty.
