WORK EXPERIENCE

Student Recreation at Old Dominion University, Norfolk, Virginia Dec. 2022 – Present
Facility Manager

- Enforce all of facilities' policies and procedures. This includes ensuring members scan their way into the facility, instruct on their required tasks, and ensure building is secured at closing.
- Manage a clean and safe facility by ensuring courts and workout areas are clean throughout the day.
- Train new employees on policies and procedures. This includes teaching them to clean parts of the facilities at appropriate times, how to properly check out sports equipment to members, and how to monitor workout areas to ensure the safety of members.

EXTRACURRICULAR ACTIVITIES

COVA CCI Undergraduate Program, Norfolk, Virginia Jan. 2023 – May 2023
Undergraduate Researcher

- Researched the unethical ways Large Language Models can be used.
- Learned how to create a professional research paper and slideshow.
- Presented results of research topic in the final research showcase.
