- Physical/Digital Security Practices

EXPERIENCE:

DISABLED VETERAN

2014-CURRENT

Department of Veterans Affairs | Durham VA Medical Center | Durham, NC

Looking forward to rejoining the workforce and continuing to serve my community.

MULTI-CRAFT MAINTENANCE TECH

2012-2014

GKN Driveline | Roxboro, NC

Multi-Craft Tech for an automotive driveline manufacturer. Primary duties included performing preventive maintenance on existing equipment, performing service calls for malfunctions, design and fabricate new systems, and program and or troubleshooting PLC systems.

INTERN POWER PLANT OPERATOR

2011-2012

University of North Carolina | Chapel Hill, NC

Paid Internship with the UNC college, on campus, Cogeneration Power Facilities. Primary duties were to perform water treatment analysis and shadow power plant operators to assist in support of the maintenance and operation of the facility.

DIPLOMATIC SECURITY SPECIALIST

2005-2008

Blackwater USA | Moyock, NC

Contract employee for the Department of State. Operated out of the US Embassy in Baghdad Iraq. Provided close personal protection for US Ambassador Jeffries as a team member of Templar One. Supported auxiliary embassy staff as a team member of Raven One. Served within the office of Training and Standardization to develop training courses and then train cross-departmental teams.

SECURITY SUPERVISOR

2004-2005

Providence Hospital | Mobile, Alabama

Supervised up to a six person staff, performing standard security practices, for the Catholic hospital and its ministry buildings. Tasks included writing daily reports, managing work schedules, maintaining training objectives for staff, maintaining weaponry and certification with issued firearms, and monitoring morgue access.

MILITARY POLICE/INFANTRYMAN

2002-2004

Alabama National Guard | 1165th MP Company | Fairhope, Alabama

Was reactivated to active duty in support of Operation Enduring freedom, Nobel Eagle, and Iraqi Freedom 1+2. The primary theater of operation was the southern Baghdad patrol district between Fallujah and Ballad. Trained Iraqi Police Officers in standard US Army police tactics. Patrolled assigned district and was tasked as support element for the 1st Cav, 82nd Airborne, PsyOps, and 1st Armored Division.

JOURNEYMAN ELECTRICIAN/CERTIFIED WELDER

1992-2002

Multiple Contracts in Power Division | Primary States- AL, NC, GA, VA

Worked contracts as a journeyman electrician and welder for heavy commercial and industrial projects. Primary focus was on power division, installing combustion turbine power facilities in NC and GA with smaller projects in AL and VA. Work was over the road with typical 7-day 12-hour shifts with occasional 16-hour shifts.

EDUCATION:

Welding Certification

ACCOMPLISHMENTS:

Global war on terrorism expeditionary medal, Army commendation Medal (second award) National service medal (second award) Armed forces reserve medal with "M" device, Recognition of Achievement DOS and combat action badge.

INTERESTS:

Expanding my understanding of emerging technologies to stay ahead of emerging threats, both foreign and domestic, be they physical or digital. Artificial Intelligence has also captured my attention. All the pictures and graphics for my WordPress page were generated via AI. Some were interpreted from basic sketches I fed to the AI while others were generated from text descriptors.

AFFILIATIONS:
