Self-Efficacy FI7

You completed the survey and here are your results!

This questionnaire measures two important components of self-efficacy, which are:

1. Believe in Your Ability: Do you believe that you can succeed? Are you confident that you can reach your goals?

Survey items like "I am confident that I will achieve the goals that I set for myself" & "I will succeed in whatever career path I choose"

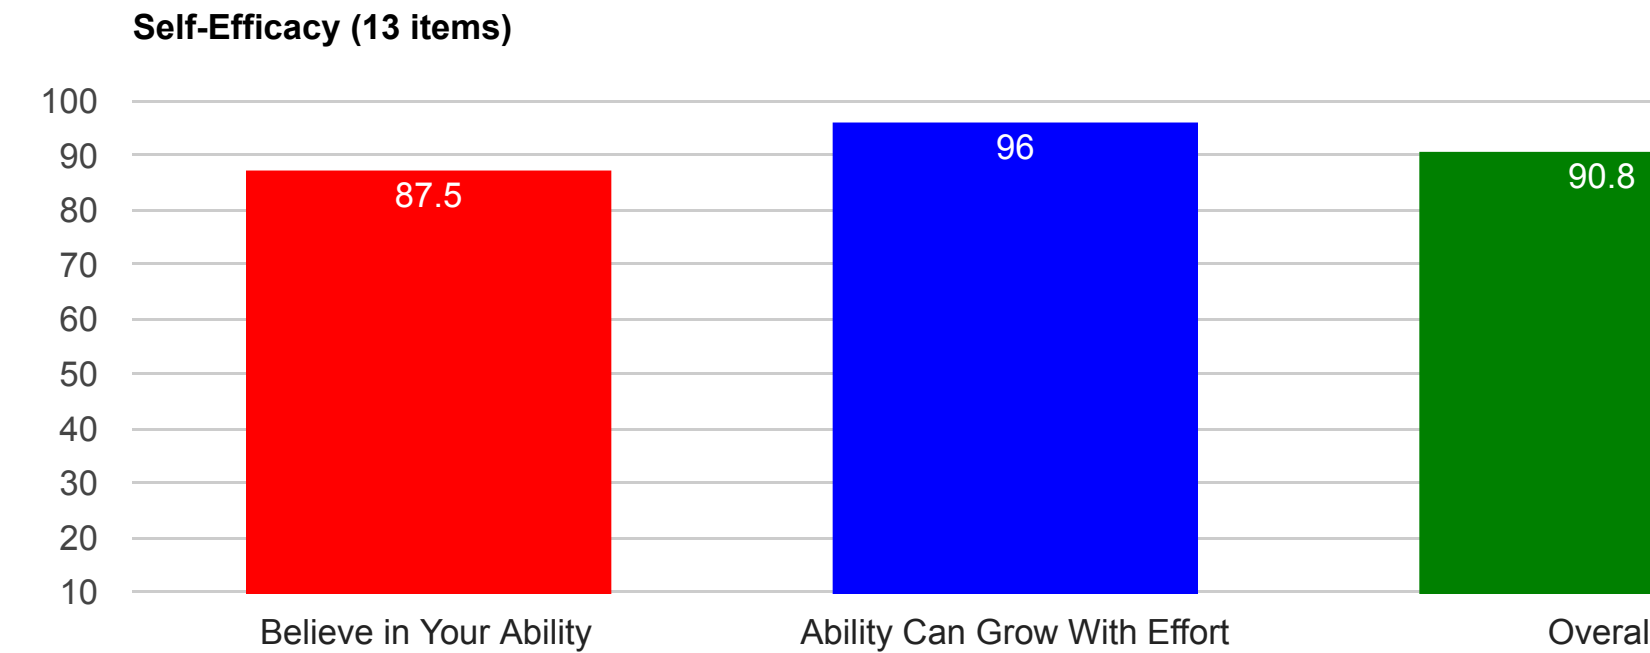

2. Ability Can Grow With Effort: Do you believe that your skills, talent, and knowledge can improve with practice?

Survey items like "I believe hard work pays off" & "I believe that the brain can be developed like a muscle"
