Work History

Counselor - Summer Camp
Grace Brethren Christian School

June 2016 - Current
Clinton, Maryland

- Plan and oversee children's activities, implement and enforce camp safety rules and regulations, and ensure a safe and healthy environment for all campers.
- Work one-on-one with children to develop a climate and culture of openness, fairness, encouragement, and mutual respect.

- Supervise groups of children and provide opportunities for them to work collaboratively as a team, to experience pride in their accomplishments, and to demonstrate encouragement and compassion for their peers.
- Effectively listen to children, parents, colleagues, and community members for diverse perspectives to enhance the campers' experiences and promote the optimal well-being of each child.
