

e-P Reflections S2022

Name: Macey Vakos

Week of:

ImmerseMe Topic & Category: ABCs

e-Portfolio Artifacts are digital evidence of progress, experiences, achievements, and goals over time. Artifacts are examples of your work.

Be sure to [record your ImmerseMe experience in Zoom.](#)

Answer prompts 1-5 below in English to help you process your French learning progress using the virtual experience of ImmerseMe:

1. Why did you select this particular **[ImmerseMe category](#)**? Why did this lesson in particular appeal to you?

Its important to learn the basics of a language before trying to speak it fluently so this helped with that.

2. Which scaffolded learning mode from ImmerseMe was most helpful to you this week (**pronunciation, writing/dictation, translation, immersion**). What specific aspects of the lesson made it helpful to you?

Pronunciation was definitely the most helpful here because I was struggling with some of the words.

3. How did you feel about the experience offered by ImmerseMe? Did the use of visuals, audio, interaction, and the depiction of the space impact you're learning in a positive or negative fashion? Please explain.

Again, just having a native speaker helping me pronounce words is helpful so Im practicing pronunciation correctly

4. What were some of the multicultural learning experiences for you? Consider the authentic location. What did you learn, notice, negotiate, connect with, etc.?

I was talking to a younger french girl, this was cool because I saw her outfit and we were outside.

5. How did the ImmerseMe category reflect your strengths and interests this week? What have you done well? What was your biggest challenge when completing this ImmerseMe category?

Pronunciation again was my biggest weakness and I think the repetition here helped me a lot.
