

Online Maps for Environmental & Earth Science

Who? Middle and high school science teachers

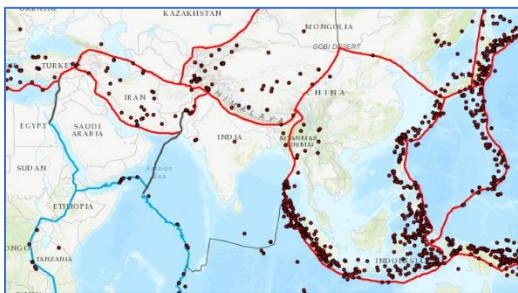

What? Learn how to use ESRI GeoInquiries to support key concepts in your content.

- Explore new maps (revised Earth Science and Level 2s) and apps
- Explore premium content for up-to-date science information
- Investigate the new story map interface
- Share ideas with your colleagues
- VBCPS teachers learn how to use the “megaorg”
- Review Chesapeake Bay Map Investigations

When? Wednesday, November 13 4:30 p.m. – 7:00 p.m. (dinner provided)

Where? Old Dominion University VB Higher Education Center, Room 247
1881 University Drive, Virginia Beach, 23453

Why? Maps provide opportunities for critical thinking, problem solving
 Story maps provide opportunities for students to show what they know
 Primary sources make history come alive and maps provide a context

Certificates for relicensure hours will be provided to teachers completing the workshop.

To register email Dr. Georgeanne Hribar at ghribar@odu.edu.

Registration deadline October 14, 2019

*Workshop funded by The Virginia Geographic Alliance
with support from Old Dominion University.*
