

Volunteers Needed

for a remote research study

*jointly organized by Old Dominion University and
Eastern Virginia Medical School*

We are currently looking for

- Generally healthy
- Male or female individuals
- Between the ages of **8 and 20 years**
- Received diagnosis of **Autism Spectrum Disorder**
- With access to a personal computer, webcam, and headphones/speakers

Those who qualify and choose to participate will complete an IQ assessment over video call then complete a **1-hour** study related to facial expression and gaze analysis while using your webcam to record your natural reaction.

Participants will receive a \$10 Visa gift card!

For more information, please email FariscAD@evms.edu
OR call **248-421-5558** (please leave a message if no answer)
