RELATED EXPERIENCE

YME Landscaping, Richmond, Virginia

May 2023 – August 2026

Landscaping crew member

- Maintain residential and commercial properties by mowing, trimming, edging, and clearing debris, improving overall property appearance and client satisfaction
- Operate landscaping equipment safely and efficiently, increasing productivity and reducing project completion time across multiple job sites
- Collaborate with team members to complete projects on schedule, ensuring consistent quality and timely service delivery
- Identify and resolve landscaping issues such as overgrowth and uneven terrain, preventing long-term property damage and reducing future maintenance needs
- Adapt to physically demanding tasks and varying weather conditions, demonstrating reliability, endurance, and strong work ethic
- Overall, In my landscaping role, I was responsible for assisting with project implementation, including plant installation, landscape layout, grading preparation, and general site maintenance. I regularly worked from infrastructure maps and design plans to ensure plants, flowers, and materials were placed accurately and according to specifications. This required close attention to detail, spatial awareness, and the ability to interpret technical layouts. I also handled tools and landscaping equipment safely and efficiently, maintaining productivity while prioritizing safety standards.
