EXPERIENCE

Operations at Live Nation

April 2022 - June 2022

I worked operations at Jiffy Lube Live. During concert days, I assisted patrons with any help they needed. On days where there was not a concert, I worked to help ensure the venue was clean and ready for the next concert. This included pressure washing, weed wacking, and stocking supplies.

Lifeguard at Titan Pools

May 2019 - August 2019

I worked as a lifeguard at my neighborhood pool over the summer. I scanned passes, assisted patrons, cleaned pool facilities, and made sure everyone stayed safe.

Usher at AMC Theatres

I worked at my local AMC Theater as an usher and worked the concessions as well. As an usher, I would ensure the theaters and lobby remained clean, collected tickets, as well as assisted patrons when need be.
