## Education

---

**Sept 2019- June 2023**

**STANDARD DIPLOMA**, BETHEL HIGH SCHOOL

**Fall 2024**

Enrolled at Old Dominion University, Major in Cybersecurity  
ROTC Program- Army ROTC

## Experience

---

**Wingstop Cashier/Cook**, July 20, 2022 -Jan 10,2023

**As a cashier I was require to:**

- **Handling Transactions:** Accurately processing cash, credit, and debit transactions for purchases, along with returns, and exchanges.
- **Customer Service:** Greeting customers, addressing inquiries, and resolving complaints in a courteous manner.
- **Operating Equipment:** Using cash registers, and sometimes other equipment like barcode scanners and credit card machines.

**Kroger Cashier/Grocery**, Jan 20, 2023 - Oct 20, 2023

- **Stocking and Inventory:** Assisting with stocking shelves and maintaining inventory, if required.
- **Promoting Sales:** Informing customers about promotions, loyalty programs, and store policies
- **Customer Service:** Assisted customers with locating products, answering questions, and providing recommendations.

**Walmart Distribution Center**, July 31- present

(DCs) play a critical role in the company's supply chain, managing the flow of products from suppliers to stores. Working in a Walmart DC involves a variety of skills depending on the position. Some skills are: **Safety and Compliance, Time Management, Problem-Solving and Adaptability, Warehouse Operations, and Technical Skills.**

**Military NG (19D Cav Scout)**, Oct 6, 2023- present

As an Cavalry Scout my duties include:

- **Coordination and Communication:** Coordinated with allied forces and other military units to plan and execute joint operations. Maintained secure communication channels to relay real-time intelligence

and receive mission directives. Utilized GPS and other navigation tools to plan and execute patrol routes.

**-Reconnaissance and Surveillance:** Conducted reconnaissance and surveillance operations to gather intelligence on enemy positions and activities. Utilized advanced optics, night vision devices, and other surveillance equipment to monitor and report on targets. Analyzed terrain, weather, and enemy movements to provide actionable intelligence to commanders.

**-Vehicle Operation and Maintenance:** Operated and maintained armored vehicles, such as the M3 Bradley Fighting Vehicle and the Humvee. Conducted routine maintenance and troubleshooting on vehicles to ensure operational readiness. Trained team members on vehicle operations and safety procedures.

## Leadership and Involvement

---
