Digital Identities via ePortfolios

Angela Allen
Academic Success Initiatives and Support

What is an ePortfolio?

A digital collection of student or faculty work developed across varied contexts (classes, social activities, etc.) over time.

A demonstration of the user's abilities and platforms for self-expression, which can be maintained dynamically over time.

Why make an ePortfolio?
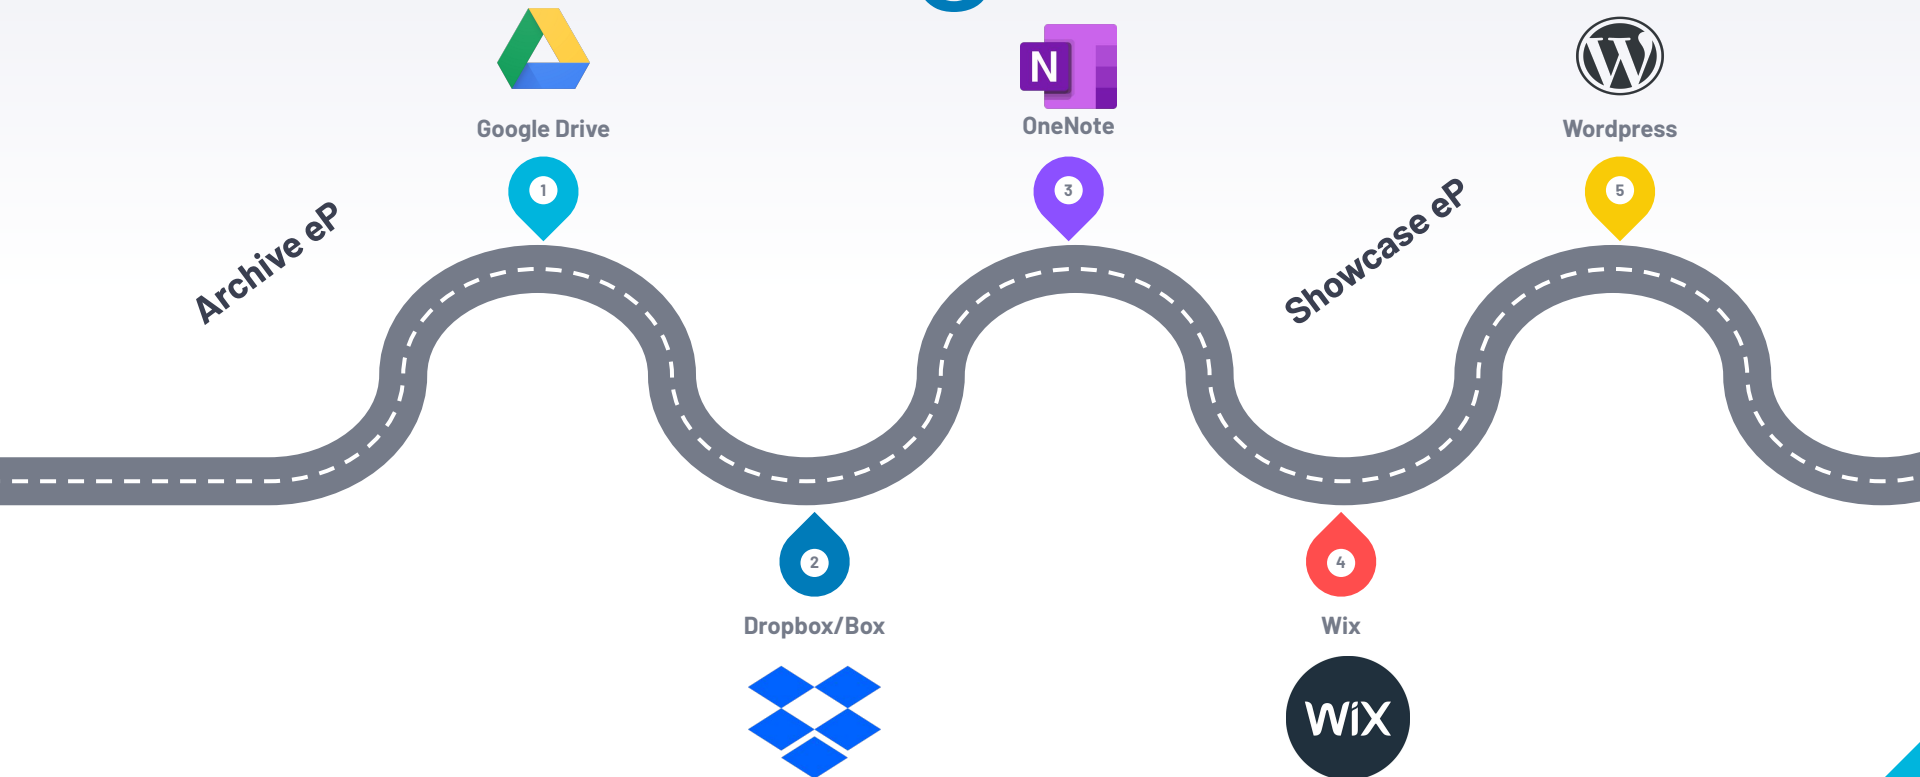

Reflective Practice

- Remember more clearly
- Make connections
- Find meaning
- Articulate learning

Job/Grad school applications

- Create online presence
- Display personality
- Demonstrate creativity
- Show instead of tell
