

Once upon a time, there was a beautiful young princess.

This princess got everything she wanted and was very spoiled.

The other kids didn't want to be friends with her because she thought she was better than them.

She realized she had to stop acting spoiled so the kids would like to be around her.

She changed her attitude and became a great friend to the other kids.

Jack got a new puppy.

The puppy was very wild and chewed up everything in sight.

Jack's mom told Jack that he couldn't leave his new shoes out where the puppy could get to them.

Jack forgot and left his shoes on the floor next to the bed.

When he got home from school, he found his new shoes in shreds.

I was outside in my grandma's yard when I heard a car come flying down the road.

I turned to look, and I saw the car start to slide off the road.

As the tires hit the grass on the side of the road, the car started to flip.

The noise was terrible as the car stopped flipping and came to a stop.

I ran to see if they were okay, and they luckily only had some scratches.

I have always wanted to get a kitten.

My mom said I couldn't because my brother is allergic.

One day, my brother went to his appointment with his doctor.

The doctor told him there was a new medicine that would help his allergy to cats.

I was so excited that I went out and got a kitten that day!

One day I was driving down the road, and I heard a strange noise coming from my car.

I pulled over to see if I could figure out what was wrong.

I opened the hood and steam started to spray out everywhere.

I quickly closed the hood and called my dad to come and help me.

My dad came to look at my car, and he decided we needed to call a tow truck.

I had been planning my outdoor birthday party for months.

My mom had bought lots of food and rented a bouncy house, and I couldn't even sleep because I was so excited.

When I woke up the day of the party, the sky was dark and looked like storms were rolling in.

I was really upset, but my mom said the forecast looked good for the afternoon.

The clouds rolled out, and my outdoor birthday party was the best time ever!
