Experience

Snider Homestead Farm / Animal Caretaker

December 2018 - PRESENT, New Enterprise, PA

At Snider Homestead Farm, I was in charge of monitoring and caring for the animals. The animals included over two hundred Guernsey cows and calves, along with chickens, cats, and pigs. I was also required to milk twice a day. My care included veterinary procedures to keep all animals healthy, such as staying up to date with vaccinations and administering medicine where needed.

Fox Crossing Farm / Riding Instructor, Animal Caretaker

May 2018 - May 2019, New Enterprise, PA

At Fox Crossing Farm, I gave riding lessons to young children. I also helped Zeta Furry, head trainer/instructor and owner of Fox Crossing Farm, with preparing horses for lessons. When Zeta was absent, I was in charge of caring for and feeding her eleven lesson horses.

Education

Northern Bedford County High School / High School Diploma

2014 - 2019, Loysburg, PA

During my high school career, I was enrolled in several honors courses, involved in sports and Future Farmers of America, and maintained my position on the Honor Roll through all four years.

Old Dominion University / Sophomore Standing

August 2019 - Present, Norfolk, VA

Currently, I am studying biology at Old Dominion University. I am a student in the Perry Honors College.
