7.

The screenshot shows the top portion of a web page. At the top is a green navigation bar with the Cisco Academy logo, 'My Learning', 'Catalog', 'Help', and 'Feedback' links. On the right of the bar are 'Take a Tour', a chat icon, a globe icon, and a user profile for 'Shobha Learner'. Below the navigation bar, the page title is 'Getting Started with Cisco Packet Tracer'. A sub-header reads 'This course is part of the Cisco Packet Tracer'. The main text describes the course as an on-ramp to the simulation environment. A prominent green button labeled 'Resume Course' is visible. To the right is a photograph of a woman with glasses working on a laptop. Below the main text, a 'Free' badge with a lock icon indicates that no purchase is required.

8.

This screenshot shows a browser window displaying the Cisco Academy course page. The browser's address bar shows the URL 'skillsforall.com/launch?id=9762b32d-0a49-4d7a-b881-498eb3be42cc'. The page layout is consistent with the previous screenshot, showing the navigation bar and the course title 'Getting Started with Cisco Packet Tracer'. A 'Next' button with a right-pointing arrow is visible. A sidebar on the left contains a progress indicator with four steps: 'Getting Started with Cisco Packet Tracer', 'Download and Use Cisco Packet Tracer' (which is highlighted in green), 'Create a Cisco Packet Tracer Network', and 'Course Completion Assessment & Survey'. The main content area is titled 'Download and Use Cisco Packet Tracer' and includes a 'Trouble Viewing Content?' link and a 'View in Fullscreen' button. The Cisco Academy logo is displayed above the main heading 'Module 1: Download and Use Cisco Packet Tracer'. At the bottom of the content area, a instruction reads: 'Scroll down and select 'Install Cisco Packet Tracer' to begin.'

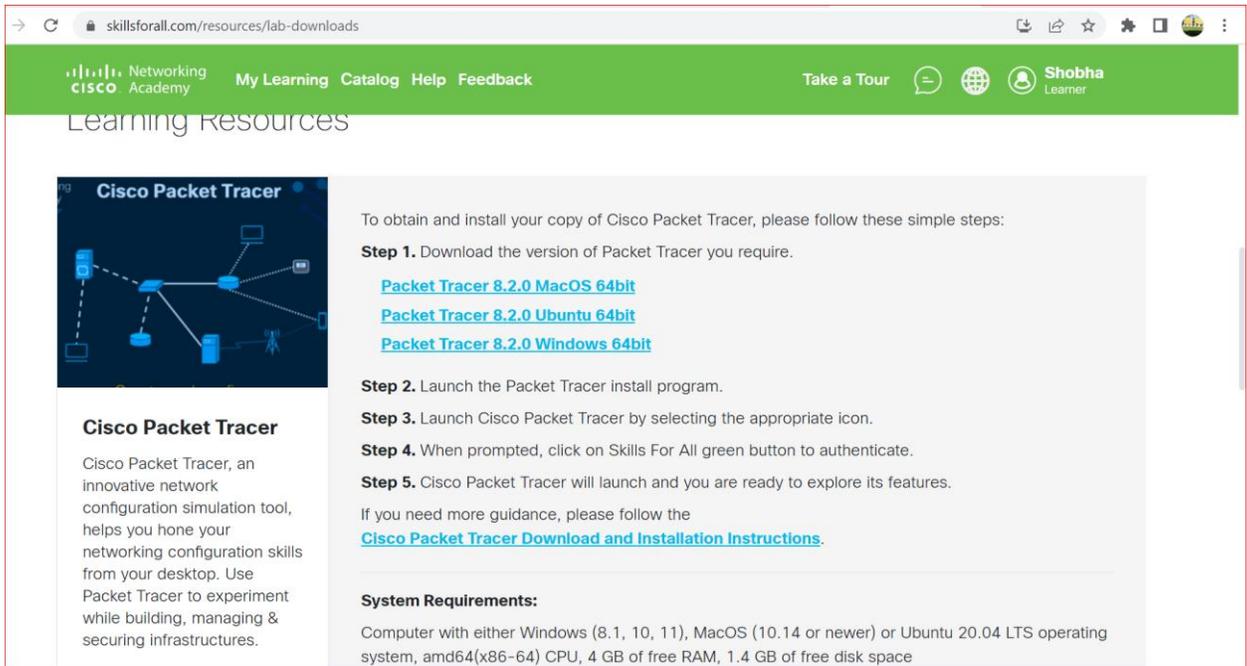

9.

The screenshot shows the Cisco Academy interface. The top navigation bar is green and contains the Cisco Academy logo, 'My Learning', 'Catalog', 'Help', 'Feedback', 'Take a Tour', a search icon, a globe icon, and a user profile icon for 'Shobha Learner'. The main content area has a white background. On the left, there is a vertical sidebar with a green dot and the text 'Course Completion Assessment & Survey'. The main content area features the title 'Module 1: Download and Use Cisco Packet Tracer' in a large, bold, black font. Below the title is a horizontal line. Underneath the line, there is a bold instruction: 'Scroll down ⌵ and select 'Install Cisco Packet Tracer' to begin.' Below this instruction, there are two sections: '1.0 Install Cisco Packet Tracer' and '1.1 The Cisco Packet Tracer Interface'. Each section has a horizontal line below it, and the text 'Welcome to Getting Started with Cisco Packet Tracer' and 'Cisco Packet Tracer Interface' is visible below the lines.

10.

The screenshot shows the same Cisco Academy interface as in the previous image. The top navigation bar is green and contains the Cisco Academy logo, 'My Learning', 'Catalog', 'Help', 'Feedback', 'Take a Tour', a search icon, a globe icon, and a user profile icon for 'Shobha Learner'. The main content area has a white background. On the left, there is a vertical sidebar with a green dot and the text 'Course Completion Assessment & Survey'. The main content area features the text 'To obtain and install your copy of Cisco Packet Tracer, please follow the instructions from the link below:' in a black font. Below this text, there is a red oval highlighting a URL: <https://skillsforall.com/resources/lab-downloads>.

11.

The screenshot shows a web browser window with the URL `skillsforall.com/resources/lab-downloads`. The page header includes the Cisco Academy logo, navigation links for "My Learning", "Catalog", "Help", and "Feedback", and a user profile for "Shobha Learner". The main content area is titled "Learning Resources" and features a section for "Cisco Packet Tracer".

Cisco Packet Tracer

Cisco Packet Tracer, an innovative network configuration simulation tool, helps you hone your networking configuration skills from your desktop. Use Packet Tracer to experiment while building, managing & securing infrastructures.

To obtain and install your copy of Cisco Packet Tracer, please follow these simple steps:

Step 1. Download the version of Packet Tracer you require.

- [Packet Tracer 8.2.0 MacOS 64bit](#)
- [Packet Tracer 8.2.0 Ubuntu 64bit](#)
- [Packet Tracer 8.2.0 Windows 64bit](#)

Step 2. Launch the Packet Tracer install program.

Step 3. Launch Cisco Packet Tracer by selecting the appropriate icon.

Step 4. When prompted, click on Skills For All green button to authenticate.

Step 5. Cisco Packet Tracer will launch and you are ready to explore its features.

If you need more guidance, please follow the [Cisco Packet Tracer Download and Installation Instructions](#).

System Requirements:

Computer with either Windows (8.1, 10, 11), MacOS (10.14 or newer) or Ubuntu 20.04 LTS operating system, amd64(x86-64) CPU, 4 GB of free RAM, 1.4 GB of free disk space

12. Go to download folder in your computer and install cisco Packet Tracer.

13. Launch Cisco Packet Tracer.
