

# CAREER PATHWAYS

Professional development to bridge graduate school and career success

## Becoming a Skilled Researcher

A panel of ODU and NSU researchers will

- ☑ Address key skills graduate students should develop to be effective researchers
- ☑ Provide strategies and advice for building research skills
- ☑ Discuss resources available to build your research skills and support your research

Panelists:

- Dr. Sachin Shetty, VMASC
  - Dr. Regina Karp, GPIS, College of Arts & Letters
  - Dr. Harold Lee, Postdoctoral Research Fellow, NSU
  - Abbie Basile, Engineering & Physical Sciences Librarian
- Moderator: Ali Can Kucukozyigit, Graduate Student, College of Engineering
