

# CAREER PATHWAYS

Professional development to bridge graduate school and career success

## Career Tools Series: Handshake for Graduate Students

- Looking for assistantships, internships, fellowships, or full-time roles aligned with your graduate degree and expertise?
- Do you know how to use Handshake to find these opportunities?
- Not sure how to network or attend career events through Handshake?

Join Solongo Tsolman, Assistant Director for Graduate & Alumni Programs (with the Center for Career and Leadership Development) for this introductory workshop.

What you'll learn:

- How the Handshake platform supports graduate students' career development
- How to access and use Handshake effectively
