

CAREER PATHWAYS

Professional development to bridge graduate school and career success

Grant Writing Basics

Navigate the complex world of research funding with confidence. Join Dr. Mariana Szklo-Coxe, Associate Professor in the Joint School of Public Health, for an interactive 90-minute overview of the grant-seeking process.

What You'll Learn:

- ✓ **The Hunt:** How to seek funding opportunities.
- ✓ **The Strategy:** Decoding Requests for Proposals (RFPs).
- ✓ **The Fit:** Determining if your project is the right match.
- ✓ **The Anatomy:** Breaking down the core components of a proposal.

Designed specifically for graduate students.

All graduate students are welcome, you do not need to have grant writing experience.

Even if you only have 60 minutes from 12-1pm, you can still benefit from this workshop.
