Article Write-up #1

Rahman, A., Sairi, I. H., Zizi, N. A. M., & Khalid, F. (2020). The importance of cybersecurity education in school. *International Journal of Information and Education Technology*, *10*(5), 378-382. (this)

The study is about the need for the teaching of cybersecurity in schools. The research in the paper was based on articles found using multiple databases using key words, like cybersecurity and cyber education, published between 2011 and 2019. The topic in this paper is very relevant to the class, because it focuses on the security of children in social media and how to be safe online.
