MEMORANDUM FOR THE RECORD

SUBJ: DIVISION INTRODUCTION

1. I am Ensign Christopher Sicle, your new division officer. I was born and raised and lived for 18 years in the beautiful city of Miami, but I have called Hampton Roads home for the last 10 years. I have a family of my own: my wife of 6 years, a son, a daughter on the way, and two four-legged children (German Shepherds). I served as an Aviation Ordnanceman onboard the USS Harry S. Truman, where I did three deployments before separating to get my degree at Old Dominion University, where I later commissioned through the NROTC program.

2. I am an avid sports fanatic. I love having my feelings hurt, so I root for all South Florida teams, where they let me down year after year. I also play all kinds of sports, mainly golf, where I have fun instead of being good.

3. That's a little about me. Now, on a more serious note, I am a believer in loyalty throughout everything we do here. Loyalty to the Navy, each other, and within ourselves. Loyalty is a two-way street where I will provide honesty and clarity even in the more unique circumstances, and I expect the same from all of you. I met with Chief before quarters, who told me about the accomplishments and challenges you've overcome as a team. I'm excited to build on those lessons so we can strive to be great.
