## CERTS AND SKILLSET

---

- CompTIA Security+
- CompTIA A+
- Tools: Nmap, Wireshark, JIRA, Log360, Aircrack, Metasploit, VMware, Splunk, ServiceNow
- Experienced in : Access Management, Security Assessment, Auditing, Network Security, IT support, Physical Security, Data Analytics, IT Governance, and Incident Response

## EDUCATION

---

### Old Dominion University,

### Cybersecurity B.S

2021-2025

- Senator of the National Society of Black Engineers
- Relevant Courses: Cybersecurity Fundamentals, Cybersecurity Networking/Programming, Enterprise Cyber Defense, Networked Systems Security

## ACTIVITIES AND PROJECTS

---

### Mastercard Cybersecurity virtual experience program on Forage - October 2024

- Completed a job simulation where I served as an analyst on Mastercard's Security Awareness Team
- Helped identify and report security threats such as phishing
- Analyzed and identified which areas of the business needed more robust security training and implemented training courses and procedures for those teams

### Commonwealth of Virginia Information Security Conference 2023

- Not only attended but Volunteered to assist with Break-out rooms and Vendor Activities
- Listened to keynote speakers in Cybersecurity on various topics including Penetration Testing and Modern-Day Information Security with AI

### **INNOVATE Cyber Challenge 2022**

-Experiential learning initiative where I employed innovation, creativity, active learning, and critical thinking to develop a solution to a problem in the Cybersecurity Industry while working along with a research team. Placed in the Top 3 Winning Teams
