# COMPANY HISTORY

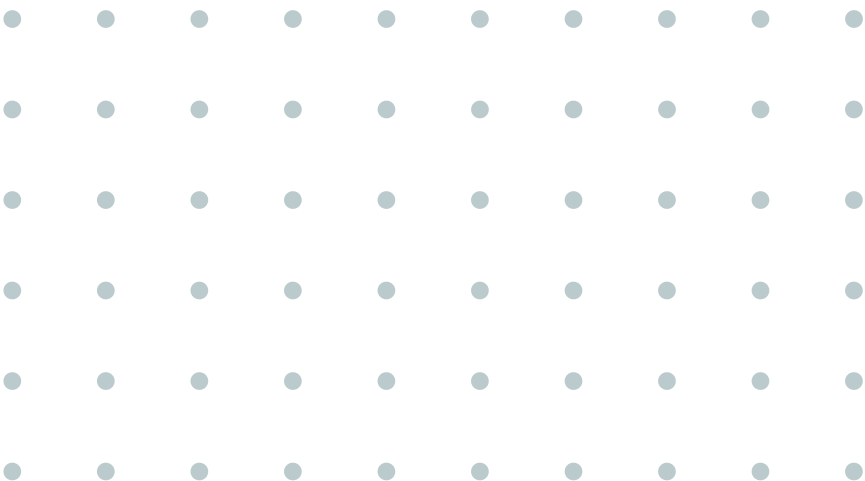

*Where Is God Now? Ministries*

# COMPANY HISTORY

Where is God Now? Ministries started after the publication of Dr. Moss’s book "Where Is God, Blessed Are The Pure In Heart For They Shall See God." She started the ministry just before COVID struck, providing daily inspiration online.

# 02. STRENGTHS, WEAKNESSES, OPPORTUNITIES, AND THREATS

*Where Is God Now? Ministries*

SW

- Runs the business by herself, only person with access to information
- Expand business to delegate cybersecurity responsibilities
- Invest in cybersecurity education and training to help mitigate cybersecurity risks and enhance security posture
- Collaborate with religious organizations to help spread message

OT

- Runs the business by herself, can be a lot to handle
- No education in cybersecurity best practices
- Vulnerability to cyber attacks targeting religious organizations
- Risk of data breaches due to sole management and lack of cybersecurity expertise
- Disruption of services from cyber attacks or technical failures

03.

# RISK ASSESSMENT

*Where Is God Now? Ministries*

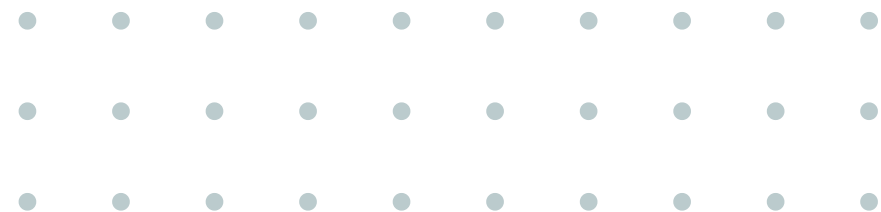

# RISK ASSESSMENT

Room for Improvement:

- Physical Security
- Email Security
- Website Security
- Data Back-Ups
- Incident Response Planning

04.

# FUTURE STEPS & RESOURCES

*Where Is God Now? Ministries*

# FUTURE STEPS & RESOURCES

## CYBERSECURITY AWARENESS TRAINING

A list of URLs was given to Dr. Moss containing helpful YouTube video and cybersecurity security training modules.

## INCIDENT RESPONSE PLAN

A sample incident response plan was given to Dr. Moss, detailing who she should report cyberattacks to.

## RISK ASSESSMENT FINDINGS

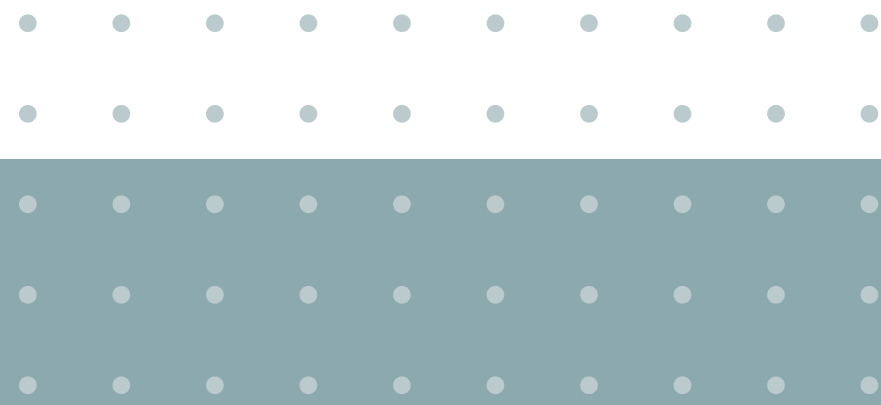

The information from the risk assessment should also be used to make the necessary adjustments to Dr. Moss's cybersecurity practices and policies.

05.

# CONCLUSION / Q & A

*Where Is God Now? Ministries*

# THANK YOU

Have any questions?

Team Moss
