

Cybersecurity in smart cities

By: Jonathan Edison

What is a smart city?

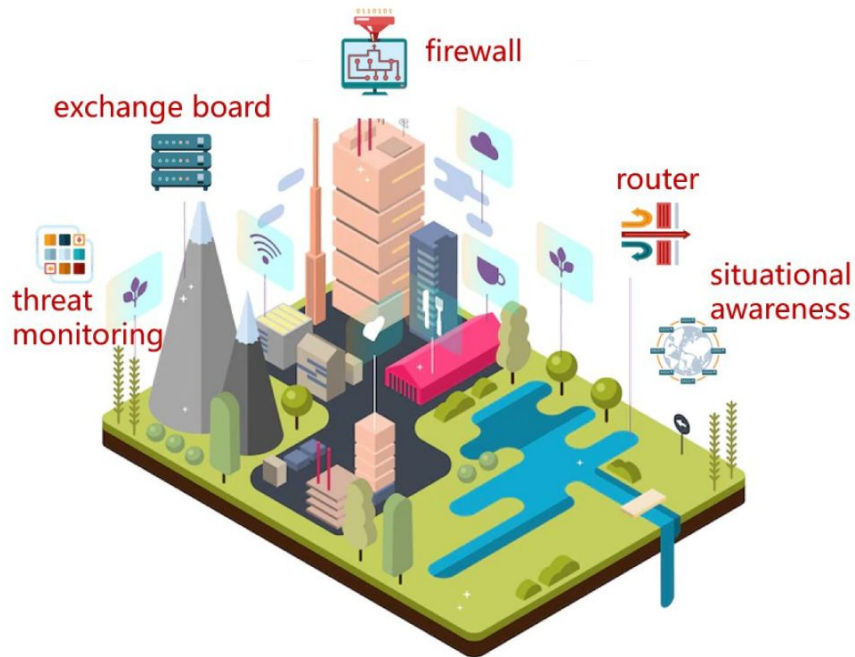

Protecting the city

Public safety

Cyber security

Technology and urban planning

Real-world example

The background of the slide is a photograph of a city skyline at sunset. The sky is a mix of orange, red, and purple. In the foreground, there are green trees and a road with light trails from cars. A dark blue rectangular overlay is centered on the image, containing the title text in white. The text is split into two lines, with a thin white horizontal line underlining each line.
