Certifications

- Cisco Certified Network Associate – CCNA.
- Cisco Certified CyberOps
- CompTIA Security +
- RUCKUS ICX Implementer (RICXI)

Skills

- Network security
- Network and System administration
- Security incident handling and response
- Malware prevention and detection
- Remote access support
- Wireless Access Point
- Internet setup and troubleshooting
- Routing protocols
- Proficient with Cisco & Brocade IOS Software CLI
- Threat and vulnerability analysis
- Prepare disaster recovery plans
- Audit and compliance support
- Analytical mindset
- Problem-solving
- Communication
- Teamwork
- Attention to detail
- Adaptability
- Continuous learner

Education

Associate of Applied Science in Cybersecurity

Tidewater Community College

Bachelor's Degree in Cybersecurity

Old Dominion University

Finer Works Media | San Antonio, TX
