## CYSE 201s

Ennio Cruz

The infographic features a central blue circle with a dotted white border containing the title. Three smaller blue circles with white borders, numbered 01, 02, and 03, are connected to the central circle by lines. Each number is inside a white speech bubble. To the right of each number is a text block describing the skill. The background has abstract blue and purple wavy shapes.

# Cybersecurity Analyst and Social Behaviours

**01**

**As a cybersecurity analyst you must be able to work well with a team to respond to threats. This involves having great social skills to communicate effectively up and down the organizational hierarchy.**

**02**

**As a cybersecurity analyst you must also have critical thinking skills, the ability to think outside the box. This involves leveraging knowledge of social norms and behaviors to come up with applicable solutions.**

**03**

**As a cybersecurity analyst you must also be able to effectively communicate well in order to train other people. This involves having social skills to communicate effectively in verbal or in writing the importance of cyber awareness and other technical information.**
