9101 Patterson Ave, Henrico, Apt 38, Virginia,
23229 | bowenchristian9@gmail.com | 804-852-1674

Objective

Dedicated College student seeking Cybersecurity position to utilize the work ethic, attention to detail, and knowledge acquired to work and grow through the Cybersecurity field.

Skills & Abilities

Familiar with help desk oriented issues, basic networking issues, and security issues through reading books covering the CompTIA A+ and Network+ certifications

Understanding basic knowledge and application of firewall and directory rules through Ubuntu Linux

Familiar with the standards and policies NIST recommends to establish a healthy balance between securing and using data

A strong understanding of cryptographic algorithms and applications of these tools to secure messages along the network

Knowledge on the attacks using Metasploit, Jack the Ripper, Nmap, and Wireshark to survey and enter networks

Understanding case law, legal issues, and ethics when it comes to Cyber Law defined by legislation

Experience

Counter Sales/Warehouse Associate — Winsupply of Richmond

August 16th, 2021 — present

Through this job, I was in charge of helping customers through counter sales, with the added responsibility of performing tasks to ensure product moves smoothly through the warehouse environment in an orderly fashion. This job included me filling roles to aid the warehouse by quickly learning the functions of shipping, receiving, and forklift driving in my employment.

Education

Old Dominion University — In Progress for Bachelor's Degree in Cybersecurity August 2020 — present
Estimated graduation time being Winter 2023

J Sargent Reynolds Community College — Associates Degree in General Studies

August 2018 — August 2020

Dean's List with 3.6 GPA

Certifications

Comptia Security+ - December 2022-Present
