Instructions to [record your ImmerseMe experience in Zoom](#).

Answer prompts 1-7 below in English to help you process your French learning progress using the virtual and AI experience of ImmerseMe.

1. Why did you select this particular **ImmerseMe lesson**? Why did this lesson in particular appeal to you?

I felt this lesson appealed to me because of getting an understanding describing my interest to others and where I live or about it so they'd have an idea of what it's like to live in another country.

Which scaffolded learning mode from ImmerseMe was most helpful to you this week (**pronunciation, typing, spelling, translation, AI**)? What specific aspects of the lesson made it helpful to you?

I felt the pronunciation was very helpful for me mainly because I was able to see the proper way to spell and conjugate certain words or verbs.

2. How did you feel about the experience offered by ImmerseMe? Did the use of visuals, audio, interaction, and the depiction of the space impact your learning positively or negatively? Please explain.

I think the experience was good as it was set at a table discussing hobbies and interests.

3. What were some of the multicultural learning experiences for you? Consider the authentic location. What did you learn, notice, negotiate, connect with, etc.?
 4. How did the ImmerseMe category reflect your strengths and interests this week? What have you done well? What was your biggest challenge when completing this ImmerseMe category?

With this particular subject, it was easier to conjugate verbs, but still a bit tough for me. So, again, seeing how they are

5. How do you see this week's immersive experience as part of your future career goals? Can you imagine using French in a future job or travel experience? Please explain.

I feel just being able to have those casual conversations where it involves hobbies or talking with my professor about my profession, it could lead to future opportunities.

6. After using ImmerseMe's **AI Conversation (BETA)** for this lesson, what were your impressions? Was this practice for speaking or writing? **Add a screenshot of your AI conversation here.**
