

**2 Quotes/ 2 Questions**  
**Daily prep assignment, bring to class for discussion**

For each reading assigned do the following:

**2 Quotes**

Identify 2 key quotes that either

- Signal a significant event in the plotting
- Reveal something significant about how we should view a character
- Imply something more than or different from what is stated.

1. Write out the quote (1-2 sentences max usually).

2. **Cite** physical place in text with page, paragraph or line # in parenthesis

For paragraphs: (par. 4).

For lines in poetry (7).

3. Write a brief paragraph of 3-4 sentences stating why you think this quote is important.

**2 Questions:** Pose 2 questions for class you would like to discuss. This can include:

1. Asking about quotes or specific places in the text you do not understand and want clarification.
2. Asking about where you think the interpretation may be complex, or have more than one way to look at it.
3. Asking about a specific literary element the author uses and its effect
4. Asking about how historical context might help you understand better- what kinds of information would shed light on a certain aspect of the story?
5. Asking about any aspect of the story you find interesting and wish to discuss in more depth.

\*\*Note that you can certainly have opinions or answers to your questions already formulated- this is not just about comprehension-
