Preparing Future Professionals (PFP)  
Workshop: Creating Your ePortfolio

Calling all ODU Graduate Students & Post-docs!

Do you need help with your ePortfolio? Megan Mize of ODU’s Center for High Impact Practices is here to help!

Participate in this hands-on workshop to:
• Learn ePortfolio basics and why you should have an ePortfolio
• Learn about ODU resources to help you with ePortfolio development
• Get advice on what to include in your ePortfolio
• Get started on your ePortfolio with open lab time

Friday, November 17, 2017 from 10:00 AM - noon
Location: Learning Commons LC 1310-1311

You can also participate online via WebEx:
http://vs.odu.edu/kvs/interface_reach/?cid=201510_PreparingFutureFacultyVS_94013

ePortfolio: A digital narrative of learning, skills, & experiences through careful presentation of selected materials.

PFP is part of The Graduate School’s CAREER PATHWAYS program, which emphasizes professional development to bridge graduate school and career success.
