A panel of ODU and NSU researchers will
- Address key skills graduate students should develop to be effective researchers
- Provide strategies and advice for building research skills
- Discuss resources available to build your research skills and support your research

Panelists:
- Dr. Sachin Shetty, VMASC
- Dr. Regina Karp, GPIS, College of Arts & Letters
- Dr. Harold Lee, Postdoctoral Research Fellow, NSU
- Abbie Basile, Engineering & Physical Sciences Librarian

Moderator: Ali Can Kucukozyigit, Graduate Student, College of Engineering

Friday, November 2, 2018
