SKILLS

I bring strong problem-solving abilities and hands-on expertise to every role. With a talent for quickly learning new skills and adapting to evolving technologies, I excel in technical tasks and manual work. My background in customer service has honed my ability to effectively address customer needs and ensure a positive experience.

EXPERIENCE

Asper & Edwards Electrical, Virginia Beach, VA - *Electrician*

May 2022 - PRESENT

- **Supported the installation of new circuits:** Contributed to the setup and configuration of circuits from scratch for various projects, including residential and commercial applications.
- **Collaborated with clients and contractors:** Worked closely with clients to understand their needs and coordinated with other professionals to complete projects efficiently.
- **Helped diagnose and repair electrical issues:** Contributed to identifying and fixing electrical problems to improve safety and functionality.

Eastover Service & Repair, Suffolk, VA - *Mechanic*

March 2021 - May 2022

- **Conducted comprehensive diagnostics and repairs:** Addressed mechanical issues across a broad spectrum of engines, including small-scale equipment and large industrial vehicles.
- **Handled maintenance and complex repairs:** Kept machinery in top shape with regular servicing and tackled more involved engine work when needed.
- **Utilized advanced diagnostic tools:** Leveraged industry-standard equipment to pinpoint and fix mechanical issues efficiently.

Foodlion, Windsor, Va - *Customer Service Lead*

August 2019 - March 2022

- **Provided customer assistance:** Assisted customers with inquiries, processed transactions, and ensured a positive shopping experience.
- **Managed front-end and stock operations:** Handled cashier duties, stocked shelves, and participated in the Food Lion To Go service, including shopping, packing, and delivering groceries.
- **Resolved customer issues:** Addressed and resolved any customer concerns or complaints to ensure satisfaction.

EDUCATION

Tidewater Community College, Virginia Beach, VA - *Currently enrolled*

- **Pursuing a degree in Cybersecurity:** Engaged in coursework and projects focused on securing information systems, understanding cyber threats, and implementing protective measures.
-
