

# SaVida Health Program Evaluation

## Meeting with Counselor/Observation

Held an interview with a Licensed Clinical Soical Worker at the facility and got to observe some valuable data for the evaluation.

## Collect Surveys

I plan to collect the surveys the clients have filled out and tie up any loose ends I may have.

## First Meeting

I notified them of the time/level of involvement it would take to complete the evaluation.  
I also left the surveys for participants

## Meeting with the Secretaries and Client

I plan to hold an interview with a client and then interview the two nursing assistant/secretaries at the facility.
