TalkAbroad Impression #3

For TalkAbroad number 3, I chose to speak with David Espinoza again. I chose David because, I have spoken with him twice before and I think he challenges me in different ways to speak Spanish. David and I have developed a friendship and he is easy to talk to. I also chose to speak with David again because he lives in Nicaragua, and Nicaragua is a place that I have always wanted to visit and learn more about. During this conversation, David and I spoke about the nature, climate, and his surroundings in Nicaragua and mine in Virginia. I have learned so much about the environment of Nicaragua and I can't wait to visit there someday.
