

# ZACHARY HOUSTON

---

---

## SUMMARY

---

I have learned many skills in the jobs that I have worked at such as computer skills, diligence, teamwork, and professionalism. I am currently in engineering and I am trying to learn all that I can to further my skills.

---

## ACCOLADES

---

Certified in:

- AutoCad
- Microsoft Word
- Microsoft Powerpoint
- Microsoft Excel

Knights of the round table award my Junior Year

Participated in Skills USA at the State and National level in Engineering Design

---

## EXPERIENCE AND REFERENCES

---

5/1/16-1/2/18

Material Handler, *Lee Industries*

Loaded frames on and off of frame trucks. Learned Time management, money management, how to work with others, and responsibility.

3/2/17-5/15/18

*Lowe's Home Improvement store number 1509*

Further enhanced my skills working with the public and learned how to use different store applications on the computer

5/22/18-Present

CAD Technician/Survey Technician, *City of Hickory*

Work with drawing various things on AutoCAD for different departments. I also survey with the city's surveyor.

Michael Erby - Lee Industries Warehouse Employee

(828) 409-3489
