AREAS OF STRENGTH:

You were very calm and exhibited a great amount of patience with this particular class. The lesson was very well organized and presented clearly to the students. You did a very good job redirecting the students when they got off task by circulating around the room. Good use of the power point and enhancing it with additional information and examples.

AREAS TO BE DEVELOPED:

This was a very challenging class. Continue to seek ways to redirect their attention to the lesson and develop ways to create a respectful environment so all students feel safe and can succeed.

OTHER RELEVANT/BENEFICIAL INFORMATION:

Good luck with your Student Teaching experience. I am excited to be your Supervisor!
