**AREAS OF STRENGTH:**

The lesson kept the students engaged and on task. You are very confident in your subject matter and project this in your teaching. You circulated around the gym and coached when necessary.

**AREAS TO BE DEVELOPED:**

Voice needs to be louder and remember to have the students seated for instruction. Present those Learning Targets in every lesson that you teach and always have closure and time for assessment at the end.

**OTHER RELEVANT/BENEFICIAL INFORMATION:**

Good luck with your Student Teaching experience. I am excited to be your Supervisor!
