

Journal Entry 11

Question: Watch this video. As you watch

thevideo<https://www.youtube.com/watch?v=iYtmuHbhmS0>, think about how the description of the cybersecurity analyst job relates to social behaviors. Write a paragraph describing social themes that arise in the presentation.

Answer:

There are many ways that the cybersecurity analyst job can relate to social behaviors, for example there will always be continuous learning. The reason behind this claim is that the field of cybersecurity will continue to change, all due to the rapid rate that technology has been growing over the past couple of years, and it will continue to advance. Another reason that the analyst job relates to social behavior, is that it relates to communication and emotional intelligence, which are key features that any professional will need to be successful in the field of cyber. Another reasoning behind why, that the cybersecurity analyst job relates to social behavior, is that it looks at the critical thinking aspect of individuals that are in person and are online and the behaviors that they tend to accumulate.
