EDUCATION

Old Dominion University, Norfolk, VA
BS, Cybersecurity

Graduation; May 2026

INTRODUCTION

My involvement in various cybersecurity organizations, including the Women in Cybersecurity Association and the Cybersecurity Student Association, has provided me with invaluable leadership and networking skills. I have also actively participated in cybersecurity competitions such as ODU CyberOps CTF and CCDC, where I have honed my technical abilities and problem-solving acumen.

Relevant Courses:

- Basic Cyber Prog & Network, Linux Systems, Windows Systems, Cyberlaw, Network & Security.
