Tourist in Hawaii and how it's affecting the community	What do you know or think you know about the topic?	How did you learn what you know or think you know about the topic?	What can I ask to learn more about what I know and the accuracy of it? From what you wrote in the two blocks to the left, what question can you ask yourself to find out more information												
	With what I know from tiktok and head lines, Hawaii is going downhill because of the lack of respect tourist have for residnets lands.	I know from the raging peaolpe that wants to defend their homeland.	I can get a better insight of what tourist are doing while they visit and why their presents are distubing current residents.
