## EXPERIENCE

### **United States Air Force (USAF), Worldwide — *Bioenvironmental Engineering Journeyman***

Mar 2019 - Present

Currently in the USAF performing OSAH and EPA duties including identifying, analyzing, and controlling occupational hazards throughout the USAF. Deal with Industrial hygiene, Chemical, Biological, Radiological, Nuclear(CBRN), and environmental monitoring.

### **Walmart Neighborhood Market, Amarillo, TX — Stocker/Cashier/Produce Associate**

Dec 2016 – Mar 2019

My first job hired on as a stocker and back up cashier. Eventually became a full-time cashier for about a year then moving over to the produce section for my last 6 months.

## EDUCATION

### **Community College of the Air Force (CCAF), Maxwell, Air Force Base — Associates Degree in Bioenvironmental Engineering**

Mar 2019 - Apr 2022

Received associates degree in my Air Force Specialty Code (AFSC).

### **Old Dominion University (ODU), Norfolk, VA — Civil Engineering Technology (CET) Degree**

May 2022 - Present

Currently a junior at ODU working towards my CET degree.
