Time-stepping completed.
Time-Dependent Solver 1 in Solution 1: Solution time: 2 s
                                         Physical memory: 867 MB
                                         Virtual memory: 1010 MB

```

Fully Coupled 1 (fc1)

General

Description	Value
Linear solver	Direct 1

Method and termination

Description	Value
Damping factor	0.9
Jacobian update	Once per time step
Maximum number of iterations	5

Direct 1 (d1)

General

Description	Value
Solver	PARDISO
