PROFESSIONAL EXPERIENCE

Service Porter

Safford Kia of Fredericksburg

Fredericksburg, VA

May 2024 – August 2024

- Consistently greeted customers for service appointments with warm hospitality and a friendly demeanor, ensuring a welcoming and positive experience from start to finish.
- Ensured meticulous handling and care of customers' vehicles throughout service operations, maintaining the utmost attention to detail and safety.
- Demonstrated proactive assistance and support to colleagues as needed, fostering a collaborative work environment, and contributing to team success.
- Provided occasional transportation services, ensuring safe and timely shuttle of customers to and from their destinations.

Service Porter

Safford Mazda of Fredericksburg

Fredericksburg, VA

May 2023 – Aug 2023

- Provided quality customer service by responding promptly to inquiries or complaints.
- Demonstrated dedication and work ethic through consistent attendance and high-caliber performance.
- Greeted customers and directed them to the appropriate service personnel or department, while aiding with their needs.

- Managed account payments, collected cash, and processed credit card charges at the end of a service.
- Performed basic maintenance and cleaning around the facility.
- Fostered positive working relationships with team members through open communication, promoting a collaborative work environment that positively impacted team morale and productivity.

CAMPUS ENGAGEMENT

Phi Eta Sigma

Group Member

Old Dominion University

Mar 2022 – Present

- Functioned as a representative of the honor society at various campus events, contributing to the group's visibility and positive image within the college community.
- Played an integral role by participating in workshops, seminars, and events aimed at fostering professional development and growth among society members.
- Maintained a high GPA and consistently demonstrated a commitment to academic excellence, reflecting the honor society's emphasis on scholastic achievement.
- Actively contributed to the goals and mission of the honor society through participation in various events, meetings, and collaborative projects.

Sport Management Association

Group Member

Old Dominion University

Oct 2021 – Present

- Volunteered for sports events organized or supported by the club, gaining practical experience in event management and execution.
- Led or participated in special projects within the club, demonstrating leadership skills and an initiative-taking approach to challenges.
- Actively engaged in spot management conferences to stay updated on industry trends, best practices, and networking opportunities.
- Collaborated closely with fellow club members on various projects and events, promoting teamwork and creating a positive and inclusive environment.

COMMUNITY INVOLVEMENT

Heart of Ghent 10K

Mettle Events | Eastern Virginia Medical School

Norfolk, Virginia

September 19, 2022

- Facilitated a seamless check-in process for more than 100+ participants by ensuring efficient registration, distributing race materials and merchandise, and providing informative assistance.
- Aided the participants during the event by standing at a checkpoint and guiding them to their next destination along the course of the race.
- Demonstrated flexibility and commitment by seamlessly taking on dual roles during the event, filling in for an absent volunteer to manage both registration and guidance stations.
- Collaborated effortlessly with both classmates and unfamiliar volunteers to orchestrate a successful marathon event, encouraging a cooperative and inclusive environment that contributed to the overall effectiveness of the race.

Thurman Brisben Shelter

Fredericksburg, Virginia

James Farmer Scholars | Chancellor High School

Sept 2018 – Sept 2019

- Prepared and served adequate meals to more than fifty families in need.
- Committed to developing a warm and welcoming environment by engaging with shelter residents through games and meaningful conversations.
- Efficiently organized and executed food distribution initiatives, ensuring timely and equitable access to meals for the shelter community.
- Collaborated with fellow classmates and volunteers to ensure a productive food distribution process, yielding efficient communication and teamwork.
