

Jayden Goldsmith

CYSE 270: Linux System for Cybersecurity

Assignment Lab 1 – Create a Virtual Machine

Task A and Task B

```
jayden-goldsmith@kali: ~  
File Actions Edit View Help  
(jayden-goldsmith@kali)-[~]  
$ echo Jayden Goldsmith  
Jayden Goldsmith  
  
(jayden-goldsmith@kali)-[~]  
$ date  
Sun Aug 31 02:45:25 PM EDT 2025  
  
(jayden-goldsmith@kali)-[~]  
$ ls  
Desktop Documents Downloads Music Pictures Public Templates Videos  
  
(jayden-goldsmith@kali)-[~]  
$ pwd  
/home/jayden-goldsmith  
  
(jayden-goldsmith@kali)-[~]  
$
```

Echo is repeating what I have typed.

Date displays the current date and time.

Ls shows me what I think are the folders in the terminal.

Pwd is where I currently am at in the terminal.
