## Profile

Dedicated Navy ROTC sophomore and Resident Assistant at Old Dominion University with a passion for leadership and excellence. Proven track record of fostering a supportive and inclusive living environment, leveraging strong communication skills and empathetic guidance. Adept at multitasking and time management, exemplified through successful coordination of academic commitments, military training, and active involvement in maintaining and repairing automobiles. Energetic, adaptable, and committed to achieving personal and professional growth while positively impacting the lives of those around me.

## Employment History

### Team Member, Chickfila, Norfolk

2019 – 2021

As a Chick-fil-A Team Member, I provided excellent customer service, took orders, and maintained a clean and organized environment. I collaborated effectively with my team to ensure smooth operations during busy shifts and contributed to creating a positive dining experience for customers.

### Team Member, Target, Norfolk

2021 – 2022

As a Target Team Member, I played a vital role in delivering exceptional customer service by assisting customers, organizing merchandise displays, and maintaining a neat and organized store environment. I effectively communicated with team members to ensure efficient operations and collaborated on various tasks, contributing to a positive and cohesive work atmosphere. My dedication to accuracy, attention to detail, and commitment to providing a pleasant shopping experience helped enhance overall customer satisfaction and store performance.

### Midshipman, Navy, Norfolk

2021 – PRESENT

As a Navy ROTC Midshipman, I embraced rigorous training and leadership development, demonstrating a strong commitment to both academic excellence and military preparedness. I actively participated in drills, exercises, and coursework that honed my discipline, teamwork, and critical thinking skills. Through my dedication to upholding the highest standards of integrity and service, I am poised to excel in both my academic pursuits and future military career.

### Resident Assitant, Old Dominion University, Norfolk

2022 – PRESENT

As a Resident Assistant, I fostered a positive and inclusive living community by providing guidance and support to fellow residents. I organized and facilitated events that promoted social interaction and personal growth, contributing to a vibrant and engaging residential experience. Through effective communication and problem-solving, I addressed resident concerns and collaborated with the housing team to maintain a safe and comfortable living environment. My role as a Resident Assistant allowed me to develop strong interpersonal skills and a deep sense of responsibility, enriching the overall campus community.

## Education

Cybersecurity, Old Dominion University, Norfolk
