

JULIAN SAMONTE

(757) 275-5360 • jujusamonte13@gmail.com • Virginia Beach, VA

PROFESSIONAL SUMMARY

Motivated cybersecurity student at Old Dominion University (Class of 2026) with a strong interest in protecting systems, preventing cybercrime, and improving digital safety.

Knowledgeable in foundational cybersecurity concepts, network fundamentals, and threat awareness. Seeking opportunities to apply growing skills in a real-world environment while pursuing CompTIA Network+ and Security+ certifications.

EDUCATION

Old Dominion University — Norfolk, VA

Bachelor of Science in Cybersecurity

Expected Graduation: 2026

Relevant Coursework: Basic Cybersecurity Programming and Networking, Introduction to Networking and Security, Cybersecurity Fundamentals, Cryptography for Cybersecurity, Cybersecurity Ethics, Linux System for Cybersecurity, Digital Forensics.

TECHNICAL SKILLS

- Network security fundamentals
- Windows security & administration
- Linux (basic commands, system navigation)
- Identity & Access Management (MFA, password policies)
- Risk assessment principles
- Vulnerability identification
- Python (basics)
- Java (basics)

- Cyber hygiene & digital safety best practices

Soft Skills: Attention to detail, critical thinking, communication, teamwork, problem-solving

WORK EXPERIENCE

Volleyball Referee (Virginia Beach Fieldhouse) - Present

- Enforced rules with fairness and accuracy in high-pressure situations
- Communicated clearly with players, coaches, and staff
- Demonstrated strong decision-making under time constraints
