- AP English 12 Litcomp
- AP VA and US GOVT
- Spanish 3
- AP Environmental Science

Key Skills

- Time management
- Active listening
- Adaptability
- Creative
- Team oriented
- Working with kids
- Empathy

Profile

I am a graduate of Highland Springs High school, and hope to pursue a career in the computer science field with cybersecurity. I worked with previous computer programs such as snap berkeley, autocad, and earsketch. I'm self sufficient and a fast learner. I would like to obtain a position where experience is required in using skills that will fully be utilized in a growth-oriented environment.
