Notes: Type your script in all CAPS. Use size 12 Times New Roman font, double-spaced. Spell difficult pronounce names phonetically in parenthesis following the name. e.g., Rio de Janeiro (REEO-DAY-JEN-*AIR*-OH) and put the emphasized syllable of the name in *Italics*. Provide running times for actualities and natural sound. Be aware that natural sound usually overlaps with voice when timing out. Each radio news department has variations on the standard provided here so you will have to adapt to the style and production differences of a station.
