

PROFILE

Diligent Exercise Science major currently attending Old Dominion University. I am Ultimately seeking my D.P.T after my four years. Aiming to leverage my knowledge of exercise physiology, problem-solving, and rehabilitation to be successful in my career. Frequently praised as determined and efficient by my peers, I can be relied upon to help a future job achieve its goals.

KAYLEE WALDRON

EDUCATION

Hickory High School

Sept. 2019 – June 2021

I graduated with a 4.65 GPA and an advanced diploma. I received presidential and superintendent's honor roll along with perfect attendance rewards. During my high school journey, I took career relevant classes such as: Biology anatomy and Physiology, Sports Medicine, and Psychology.

Old Dominion University

Aug. 2021- present

I am an exercise science major pursuing my bachelor's in science before attending the program for my Doctorate in Physical Therapy. I currently have a 3.94 GPA and have achieved my name on the Dean's list.

WORK EXPERIENCE

Waffle House, Salesperson

June 2020- August 2021

My goal was always customer satisfaction. I was a fast-paced server that greeted and sat costumers, took orders, called orders, delivered food, added up bills, cleaned restaurant, and helped my colleagues!
