NOTE: Original continuing education verification documents are subject to Board audit. Licensee must check with respective dental board for all requirements pertaining to relicensure. Completion of this course does not constitute authorization for the attendee to perform any services that she or he is not legally authorized to perform based on her or his license or permit. As a licensed dental professional, your dental board requires you to track your own completed continuing education courses and save all CE certificates in the event you are audited. Dental CE Academy does not track or audit your courses for you. We recommend you store CE certificates in the cloud as a permanent backup solution. Dental CE Academy is required to provide you with a copy of your CE certificate upon request. You will be required to verify the date and title of the completed course to receive a copy. There are no exceptions.
