ADA CERP® | Continuing Education Recognition Program Advanced Continuing Education Systems is an ADA CERP recognized provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or the ADA CERP.

Advanced Continuing Education Systems (ACES), provider RP 4393, has been approved by the Dental Board of California as a provider of dental continuing education.

Original continuing education certificates are subject to Board audit and should be retained by the licensee for a period of four years. Only send in your certificates if your board requires you to do this.

I certify that I completed the above course for continuing education credit:
